WHAT WE DO?

Our main objective is to promote Benidorm to the British Tourist as the NUMBER 1 TOURIST DESTINATION suitable for EVERYONE.

The majority of our members are from the British Isles. Many of whom visit Benidorm several times each year. But have never left the Levante and Rincon areas. We are keen to promote the Old Town and surrounding areas. To encourage our members to embrace Spanish culture, the food, the Fiestas and more. In this way we intend to destroy the false image portrayed by British Tabloid Newspapers and attract the more affluent members of British Society.

We offer Tourist advice to 1000s every year on how to get the best out of their holiday in Benidorm, we also offer advice to the expat community.

We promote and support local businesses, large and small.

HOW DO WE INTEND TO ACHIEVE THIS?

By using our website and social media platforms such as Facebook.
